**Q-1 Read the passage and answer the following questions:-**

**(5 marks)**

Ravi is a little boy who loves animals. One day, while walking in the park, he saw a tiny puppy sitting under a tree. The puppy looked sad and hungry. Ravi quickly ran home, got some bread, and gave it to the puppy. The puppy wagged its tail and started eating happily.

Ravi decided to take the puppy home. He named the puppy Bruno. Ravi and Bruno became best friends. Every day, Ravi would play with Bruno in the garden. They would run, jump, and chase butterflies. Bruno always waited at the door for Ravi to come home from school.

One afternoon, while playing in the garden, Ravi saw a cat stuck in a tree. He quickly called his father, who helped the cat get down safely. Ravi was happy to have helped another animal. From that day, Ravi promised to always help animals whenever they needed him.
